Supports curriculum needs and love of wider reading

- Access thousands of books covering every curriculum subject you can think of!
- The best new fiction available to develop a love of reading. Choose from a wide range of authors and titles
- Borrow artefact boxes with dressing up clothes bringing subjects to life
- Class sets – terrific titles aimed at enriching KS1, KS2 and KS3 reading as a group.

Supports teaching staff

- Pre and post Ofsted advice and guidance particularly around wider reading
- Showcases new authors and the best fiction for children and young people currently available
- Visit the Schools Library Service to see our range of books and materials.
- Use our meeting room for INSET and other meetings (booking is advisable).

Supports your school library and/or classroom collections

- Advice on the stock needed for your school library
- Advice on setting up a management system for your library with discounts available on software
- 25% discount on buying books for your school library when you purchase through us.

St.Helens Schools Library Service gives you so much more!

- Bring your class to one of our public libraries. We offer an exciting package of class visits to support national curriculum topics and promote a love of reading
- Take part in BASH (Book Awards St.Helens) and your children can choose the next BASH winner with workshops and author visits
- Support for your Book Weeks with storytelling sessions either in school or in your nearest library
- Authors love visiting St.Helens Libraries. Look out for our emails promoting our next author event. We also have special book promotions throughout the year.

Don't miss out on this superb offer!
